

PRESS RELEASE

THE LOUISE AND ALAN EDWARDS FOUNDATION

Catherine Bushnell Fellowship in Chronic Pain Research 2016

May 20, 2016

The Louise and Alan Edwards Foundation is pleased to announce Dr. Carolina Beraldo Meloto as the recipient of the *Catherine Bushnell Fellowship in Chronic Pain Research 2016*.

Dr. Beraldo Meoloto will be conducting her research under the supervision of Dr. Luda Diatchenko at the *Alan Edwards Centre for Research on Pain* at Montreal's McGill University. The study is to 'create an unprecedented amount of genetic information on fibromyalgia that will enable research on its causes and disease mechanism.' Dr. Beraldo's aim is 'for this to lead to treatment options that will be effective because they are based specifically on a person's individual characteristics'.

We are proud to support this exciting research project being conducted at *The Alan Edwards Centre for Research on Pain* at McGill University, Montreal, Quebec, Canada
